

Take the road to a **Career!**

- All participants will receive a Nationally Recognized Credential.
Details: This program will cover topics such as Basic Safety, Communication Skills and Introduction to Construction Drawings. Completing this program gives trainees the basic skills needed to continue education in any area of construction.
- Success coaching will be provided by The Midland Area Community Foundation.
- OSHA-10 provided within the program.
- All interested participants will go through an “interview” process to determine acceptance into the program.
- No cost to accepted participants.
- All participants must pass a drug test provided by GMCA and Covenant Healthcare.
- Monday and Wednesday 12:00pm-4:00pm beginning March 18-May 13, 2020

Generously supported in part by the Midland Area Community Foundation

Greater Michigan Construction Academy
